Instructions:

This template will be used twice.
Once for the outside panels (Back and Cover)

Once for the inside panel (Inside Panel 2).

On the inside, the Safety Sleeve will cover most of Panel 3 so no color or art should be placed there. What the sleeve doesn't cover will be left un-printed white.

————— **Fold Line**

Bleed Line - take photos and backgrounds to this line.

Cut line - this is where the cut will occur.

Safety Line - Keep important text and graphic elements inside this area.
